Re: SE Blending Conference – Web Registration Instruction Sheet

When you register online for the SE Blending Conference, prior to entering the names of the saints who will be attending the conference and their hospitality needs, please enter the names, phone/fax numbers, and email addresses of the responsible brothers with whom we can coordinate for the following areas:

- Registration and hospitality questions
- Ushering Service (if brothers from your locality are able to serve)
- Children's Service (if brothers and/or sisters from your locality are able to serve)

The following is the registration information for your locality. The first time you sign on, you should change your password. The login and password are not case sensitive.

Registration is at: www.churchinatlanta.org/registration
Your login ID is: [MiamiFL](#)
Your password is: [Blending](#)

The information for saints from your locality who have previously registered for the SE Blending Conference has been retained, and *you will not have to re-type their names*. You will only need to indicate whether they are attending again this year, and whether they are requesting hospitality this time, etc. (Note: Even if your locality did not register online last year, the names of the saints who attended were entered into the Web database for you.) Saints who have not previously attended will have to be manually entered.

Information that might be provided in the Web Registration "Comments field":

1. Airline / Flight Numbers / Times
2. Saints that need to be kept together for hospitality purposes (*please take special care to identify all familial relationships upon registration, specifically, reference husbands and wives, parents and children, brothers and sisters, and especially any young children that might have a different last name from the adults that they are with*).
3. Prior hospitality arrangements (that have been made directly with saints in Atlanta)
4. Any other special needs, such as animal or food allergies, etc.

The web registration system has been updated again this year, so if you encounter any problems, you can contact us at registration@churchinatlanta.org.

In order to provide enough time to arrange hospitality, **we will lock the Web Registration Website after the registration deadline of March 3, 2017**. In the event of late change requests, please contact the Service Office directly by phone (404-325-2994) or email (serviceoffice@churchinatlanta.org). Late conference registration will be accepted, but late hospitality requests will not be accepted after the deadline.
